Mr. Mark Miller
4500 Scarlet Oak Dr.
Gautier, MS 39553

Dear Mr. Miller,

I am in receipt of your letter of appeal with regard to the cell phone confiscated from Paul Miller. The cell phone was confiscated because it was in Paul's possession on school property. I understand your situation and plea, however, it is a District policy requiring strict enforcement. Therefore, I am denying your appeal as per Pascagoula School District board policy JGFBB "Possession and/or Use of Communication Devices (Cell Phones, Pagers, Etc.) at School.", page 18 of the handbook. You may pick up your phone at the conclusion of the school year

Your letter of appeal, along with this letter, will be forwarded to Dr. J.J. Morgan, Assistant Superintendent for Instruction. Dr. Morgan's office is located in the Instructional Administrative Services building at 1006 Communny Avenue in Pascagoula.

Sincerely,

A handwritten signature in black ink, appearing to read 'Boyd West'.
