Dear Mr. Miller:

I am in receipt of your letter of appeal regarding your son's cell phone. Mr. West's decision was correct and your son has violated board policy. The possession and/or use of communication devices policy is found on page 18 of the student handbook. I have enclosed a copy of the receipt of verification that you signed when you received a handbook on July 21, 2011 and August 8, 2011. I have placed you on the board meeting agenda to address the Pascagoula School Board of Trustees in executive session on March 12, 2012. The meeting begins at 6:30 p.m.

Respectfully,

Wayne Rodolfich
Superintendent

cc: Dr. J.J. Morgan
Mr. Boyd West
