RE: Cell Phone Confiscation Lawsuit

Mr. Rodolfich,

As you are aware, I need to make a decision on filing my appeal of the Justice Court Decision regarding my cell phone lawsuit to County Court. Your answer to this letter is critical to my decision on this matter as well as my decision to take my children out of your District. As I have been indicating throughout this process, my goal is to have this policy of theft changed, so below is my question that I would like answered in a timely manner. Any answer other than "Yes" will likely result in an appeal being filed and/or possibly a federal suit seeking relief under U.S. Title 42 USC Section 1983.

Will the Pascagoula School District be changing its cell phone policy for the 2012-2013 school year in such a way that parental property will not be confiscated by the school district, except during school hours?

Feel free to contact me to discuss the matter further.

Sincerely,

Mark P Miller
